

3rd Workshop

Geoinformation, Sustainable Mining & Mapping

Mining and Sustainable Development Forum

25 – 26 September 2013
Accra, Ghana

Wednesday, September 25			
09:00	9:15	Ian Satchwell, Director IM4DC	Introduction to Workshop and International Mining for Development Centre
09:15	10:00	Dr Ben Aryee, CEO Ghana Minerals Commission	Keynote – Ghana, Governance and the Africa Mining Vision
10:00	10:15	Q&A	
10:15	10:45	Coffee break	
		Chair: Ian Satchwell	Frameworks for development
10:45	11:15	Eng. Paul Masanja, CEO Tanzania Minerals Audit Agency	The Inter-Governmental Forum on Mining and Sustainable Development and the Mining Policy Framework
11:15	11:45	Dr Toni Aubynn, CEO Ghana Chamber of Mines and Energy	Mining and Sustainable Development, the case of Ghana
11:45	12:00	Panel Q&A	
12:00	13:00	Lunch break	
		Chair: Kristine Asch	Geoscience and Information Systems
13:00	13:30	Dr Vaclav Metelka, Centre for Exploration Targeting, The University of Western Australia	The WAXI Project – a multistakeholder initiative
13:30	14:00	Ian Satchwell, Director IM4DC	Geoscience Policy and Management in Australia
14:00	14:30	Dr Vaclav Metelka, Centre for Exploration Targeting, The University of Western Australia	IM4DC Open Data - A West Central Africa Geodata Information System
14:30	15:00	Q&A	
15:00	15:30	Coffee break	
		Chair: Eric Ofori-Nyarko	Artisanal and Small-scale mining
15:30	17:15	John-Peter Amewu, Artisanal Mining Africa Network (AMAN) Eng. Paul Masanja, CEO Tanzania Minerals Audit Agency Prof Salvador Mondlane, Universidad Eduardo Mondlane	Individual 20 minute presentations on ASM activities and management in Ghana, Tanzania and Mozambique, followed by panel discussion
17:15	20:00	Poster Session 2	Mining & Exploration

Thursday, September 26			
09:00	10:15	Ian Satchwell, Director IM4DC and participants	Recap of Day 1 and discussion
10:15	10:45	Coffee break	
		Chair: Ian Satchwell	Building human and institutional capacities
10:45	11:05	Vincent Kawamya, University of Zambia	Capacity-building in Mineral Resources Management at the University of Zambia and UNU INRA Unit
11:05	11:25	Prof Daniel Asiedu, Dean of Science, University of Ghana	Developing human resource capability in geoscience at the University of Ghana
11:25	11:45	Prof Sammy Bonsu, Dean of School of Leadership and Public Policy, GIMPA	Building governance and leadership capacity for achieving positive outcomes from mineral developments
11:45	12:00	Panel Q&A	
12:00	13:00	Lunch break	
		Chair: Violet Basuah	Linkages, diversification and infrastructure
13:00	13:30	Richard Kofi Afenu, Minerals Commission	Development and implementation of policy for Local Content in Ghana
13:30	14:00	Vincent Annan, CEO Sekondi-Takoradi Regional Chamber of Commerce	Developing strategies for local content in the Western Region
14:00	14:30	Ian Satchwell, Director IM4DC	The critical role of infrastructure – the case of Australia
14:30	15:00	Panel Q&A	
15:00	15:30	Coffee break	
			Summary and wrap-up
15:30	16:00	Ian Satchwell, Director IM4DC	
16:00	17:00	Poster Session 3	Mapping, Geology, Groundwater

Mining
